

☀ Moss Landing Summer Horse Camp Information Sheet ☀

What to Bring to Camp:

Mondays or prior to arrival:

Paperwork (downloaded from website) and payment. Paperwork **MUST** be filled out by the camper's parent or legal guardian. There are certain risks associated with working around horses (for instance, horses are **BIG** and it hurts if they step on you! ... we do try to avoid this!! :) It also hurts if you fall off of one ... we also try to avoid this!!). But, things do happen and hence, forms must be filled out. Your child will not be allowed to participate in camp until we have received his/her forms.

Monday-Friday ****daily****:

- Lunch & snacks
- Lots of drinks (water is preferred) - in a cooler is fine
- Sunscreen
- Riding clothes - long pants required
- Change of clothes (may or may not need)
- Boots with a heel (cowboy boots or paddock boots - we do have a limited supply of certain sizes that can be borrowed)
- Riding helmet - if you have one. Bike helmets are **NOT** acceptable.
- Bathing suit for water play depending on weather
- Oversized t-shirt/smock for painting/crafts

Thursdays:

Optional Sleepover/Pizza Party/Campfire: There is an additional \$50 fee for the sleepover. Thursday dinner and Friday breakfast are both provided by the camp. Your child will need a lunch for Friday. You can send it Thursday morning (we have a refrigerator) or drop it off for your child(ren) on Friday some time before lunchtime.

Fridays:

There is a 'horse show' each Friday afternoon of camp at approximately 2pm. Campers can bring items to fancy their pony up for the show! This is a time for family/friends to come out and meet the ponies and watch a demonstration of what the campers have learned all week.

Other:

If you own your own pony/horse, he/she can come to camp too! There is an additional fee for this. Please contact Nicole if you are interested.
